# Going (fully) virtual (again) at EUM'22

- Original plan was to organize next EUM in Sweden... Maybe in ~~2022~~ 2023?
- All EUM'22 talks are held via Zoom
- **Zoom links were only sent to speakers and registered attendees!**
- If you didn't register but would like join a Zoom session, contact [eum@lists.ugent.be](mailto:eum@lists.ugent.be)
- **Many thanks to Simon (Univ. of Birmingham) for hosting the Zoom sessions!**

# Post-talk Q&A + informal discussion

- Registered attendees can ask questions live *after* each talk (microphone on)
- Attendees following via YouTube can raise questions via EasyBuild Slack
  - See #eum channel - **one question per message, use threads!**
  - **Join EasyBuild Slack via <https://easybuild.io/join-slack>**
- Informal discussion can continue via Zoom breakout room
  - Breakout rooms are *not* recorded/streamed, overlaps with next session
- **Many thanks to Alan (CECAM) and Åke (Umeå Univ.) for helping with moderating!**

# Live streaming & recording of all EUM'22 talks

- Live streaming of all talks via the **EasyBuild YouTube channel**  
<https://www.youtube.com/c/easybuilders>
- Talk recordings should be available there shortly after each talk
- Talks from all 6 previous EasyBuild User Meetings are also listed there, together with other talks on EasyBuild and related tools (see playlists)
- Join #eum channel in EasyBuild Slack for Q&A!
- **Many thanks to Alan O'Cais (CECAM) for the help with YouTube streaming!**
